New AWS accounts receive 12 months of AWS Free Tier access

[Get Started Today](#)

## AWS Free Tier

The Amazon Web Services (AWS) Free Tier is designed to enable you to get hands-on experience with AWS Cloud Services. The AWS Free Tier includes services with a free tier available for 12 months following your AWS [sign-up](#) date, as well as additional service offers that do not automatically expire at the end of your 12 month AWS Free Tier term.

After creating your AWS account you can use any of the products and services, listed below, for free within certain usage limits.

You can start today and automatically take advantage of the AWS Free Tier by following the steps below:

- ✓ [Sign up for an AWS account.](#)
2. Enter your billing address and credit card information. You will not be charged unless your usage exceeds the free tier limits.
3. Start using AWS Cloud services, choosing from any of the products listed below.

Sort by: [Featured Products](#)

 **Amazon EC2** 750 hours per month of Linux, RHEL, or SLES t2.micro instance usage

Resizable compute capacity in the Cloud

## Support Plan

AWS Support offers a selection of plans to meet your needs. All plans provide 24x7 access to customer service, AWS documentation, whitepapers, and support forums. For access to technical support and additional resources to help you plan, deploy, and optimize your AWS environment, we recommend selecting a support plan that best aligns with your AWS usage.

All customers receive free Basic Support.

### Basic Support

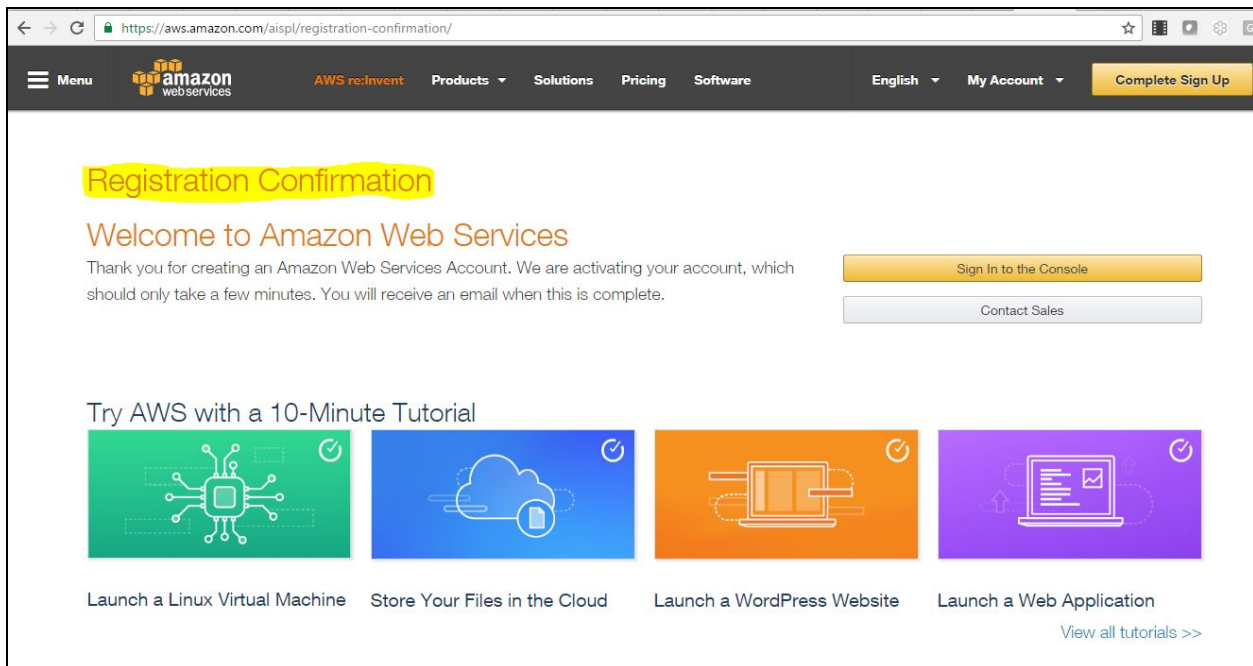

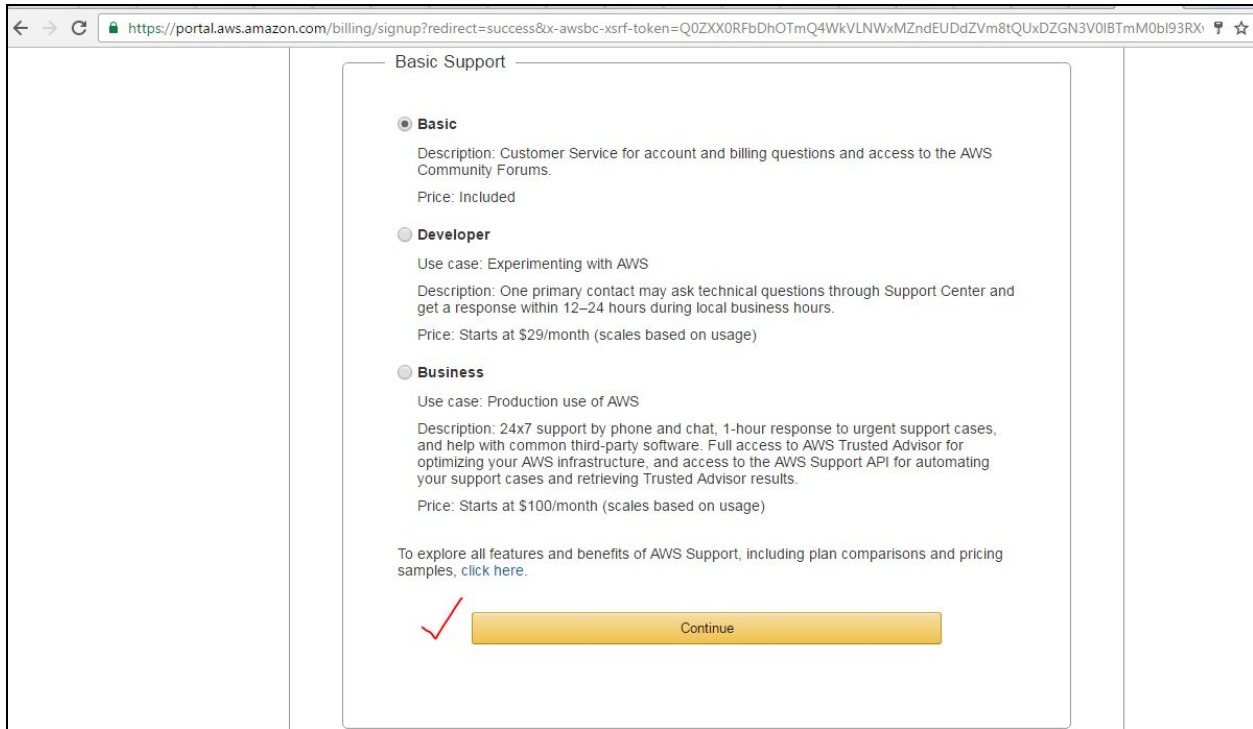

✓

☒ **Basic**

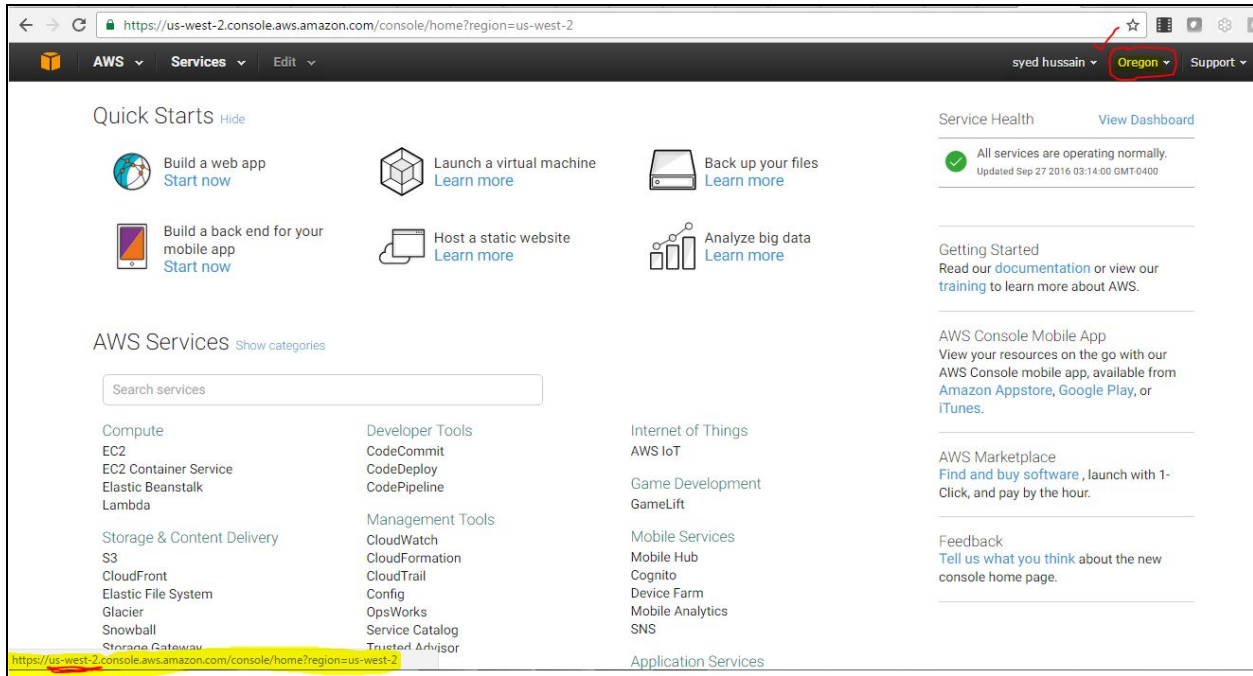

Description: Customer Service for account and billing questions and access to the AWS Community Forums.  
Price: Included

☐ **Developer**

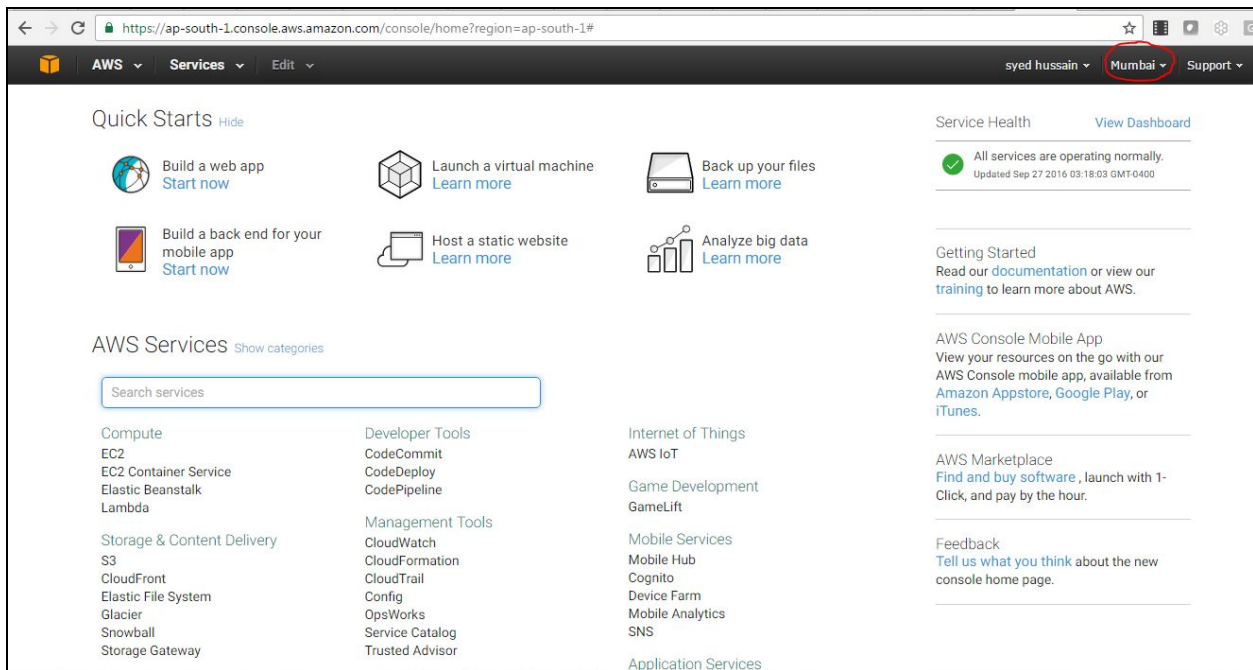

Use case: Experimenting with AWS  
Description: One primary contact may ask technical questions through Support Center and get a response within 12–24 hours during local business hours.

EXPLORE YOURSELF AND Then click on Sign in to the Console

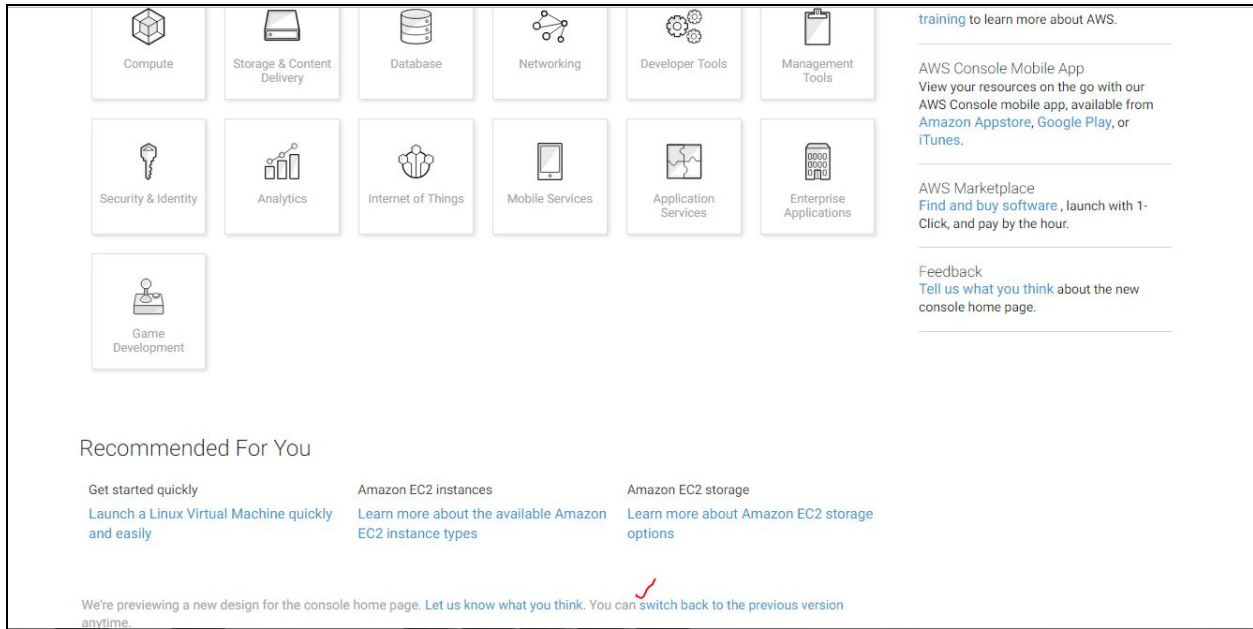

By default it goes to USA Oregon region but you need to decide where you want to create your resources.
